WORK EXPERIENCE

FRONTEND DEVELOPER May 2024 -

Koistudio Present

- Designed, developed, and deployed responsive websites for 10+ clients (Urban Sphere, Happy Gummies, Ameya, etc).
- Implemented SEO best practices resulting in improved search rankings and higher user engagement.
- Delivered cross-device, cross-browser compatibility, achieving a consistent user experience across mobile, tablet, & desktop.
- Collaborated with design to translate UI/UX wireframes into interactive React components, reducing development time.
- Deployed websites using Vercel and custom domain setups, ensuring smooth hosting and continuous uptime.

FRONTEND DEVELOPER (INTERN) Jan 2024 -

Koios Engineering Solution Apr 2024

- Developed responsive websites for ISK Auto Industries and MR Industries, improving usability and ensuring seamless cross-device performance.
- Designed and deployed a "Coming Soon" landing page for Greenway Mobility with a visually engaging UI and SEO-friendly structure.

PROFILE

Aspiring React Frontend Developer with a solid grasp of MERN stack seeking opportunities to enhance and expand knowledge in frontend development. Eager to contribute to projects with dedication and enthusiasm, prioritizing code quality and optimization to ensure efficient and effective solutions. Committed to staying updated on industry trends and technologies.
